## From the rear cover:

Like so many of Steve Franklin Palmer's popular poems and verses, this latest evocative collection offers inspiring, often-profound insights into the human condition and the journey of life. Some verses carry simple messages of courage and hope; others delve more deeply into the realms of tragedy, personal loss and despair - but each carries a reminder; a singular message of hope and encouragement; that through all our travails and successes - ultimately - we are not alone.
