Book Description and Reviews..

'Andrew Cottingham's Winderbilt stories hurtle like steam engines from the dusty tram shed of nostalgia, past the sidings sign-posted postmodern pastiche and into the express route of - dare one say it - PROPER literature..'
Goutbury Saturday Evening Post

'These fantastically concocted double-take comedic fabulations.. will tuck young and old alike into bed with a chemical-free glow and a knowing grin.'
Which? Air Guitar

'Blow up the multiplex and pick up Winderbilt. Then put Winderbilt in the multiplex.'
Teen Anarchist Weekly

REAL praise for our previous sunny outings: 'Short stories pretending to be pretentious. Indescribably brilliant.'
